Marie Therese!?
The fact is
Ah, Monsieur Beluju. —— Now I remembered, I was just about to call you.
What's with all the uproar I wonder.
Monsieur Beluju, please wait!

It's also for my wife
Wait until the morning
It's dangerous to go in this snowstorm
Moreover inside the forest is total darkness
At any cost I want to hunt down the murderer
But The footprints will disappear in an instant in this snow-storm!
What are you saying Jacque!
Can't be help. I'll go too Sebastien, my coat!
That kind of order is unreasonable It's dangerous Stop it!
The murderer might have a partner!

Isn't it great that the beast will be eating
Jacque!
It's going to be all right.
If there is a possibility of danger I'll return
What are you saying! It's no time to be fooling around
I'm not fooling around
That forest

Why are you saying such things about Jacque!
There's no doubt that you inherited your father's insane blood!
For generation your place in the family lineage produce many weird people. Everyone knows what kind of women your family marries. Your mother, a humble woman, who was bought with money ——She had no rank, she wasn't even of the nobility
I was told that woman ran away. It's laughable isn't it.
That's the story I heard

Your mother was unfaithful
They say she wasn't even mature yet
Ah... hiii
